

DZT-350 Vacuum Skin Packaging Machine

| Model | DZT-350 |
|------------------------------|--------------------------------------|
| Power supply | AC 220 / 50-60 Hz |
| Vacuum pump motor power | 1000 W |
| Vacuum extraction efficiency | 20 m3/h |
| The control mode | PLC touch screen |
| Machine material | Stainless Steel 304 + Solid Aluminum |
| The heating temperature | 0~220C |
| Film width | 350 mm |
| Film material | PP food grade, |
| Applicable packing box size | 170*250*20 mm , 190*260*25 mm |
| Chamber Size | 190*260*25 mm |
| dimensions | 400 x 600 x410 mm |
| Machine Weight | 40 kg |
